

Profile Check Sheet

Instructions:

1. Fill out customer and/or dealer information at the bottom of this page.
2. In order to properly quote you we will need you to fill in ALL arch specifications at the bottom of the page (length of arch, width of arch, # of plys, and quantity needed).
3. Take page two and fill out all needed measurements.

4. Fax or e-mail back both pages to us.
Fax # (877) 946-8824 E-mail: sales@dueckrafters.com

While every effort is made to match arches to your specifications, Dueck's Rafters will not guarantee a perfect match.

Please order arches in multiples of 4.

****Please Note:** *There will be a \$200.00 Jig Change Fee added on to any ordered match-up.*
